

## Western University Graduate Student Innovation Scholars (GSIS)

The Graduate Student Innovation Scholars (GSIS) program promotes and endorses skill development for graduate students across all disciplines, creation and development of new ideas, personal entrepreneurship, continued career growth, as well as work ethic and business accomplishments. The GSIS program will equip graduate students with improved access to, and opportunity to prepare for, a variety of post-graduate careers, including the broad range of careers beyond academia.

### The Objective

- 1) Be introduced to intellectual property and have a basic understanding of the different forms
- 3) Know what the intellectual property policy at the institution is and the six step commercialization process followed by WORLDdiscoveries
- 4) Be exposed to how technologies are assessed for commercial potential and how to determine patent novelty
- 5) In teams work on preparing and submitting assignments for grading including non-confidential technology summaries, Market Research, IP Strategy, and a Business Plan
- 6) Gain an understanding of how investors evaluate technology companies
- 7) Learn and practice an entrepreneur elevator pitch for potential investors

### Attendance

You are required to attend all sessions in this program. However, circumstances may arise which make it impossible for you to attend (e.g., conflicting course schedule, health-related reasons). As a matter of professional courtesy, you are expected to inform Rebecca Gould [rgould4@uwo.ca](mailto:rgould4@uwo.ca) about your absence in advance.

**PLEASE NOTE: All workshops and lessons will be conducted subject to public health guidelines. All participants will be expected to attend in person sessions if required and will be notified if changes are made.**
